FRONT FORK ASSEMBLY

This diagram shows two front forks and a central shaft assembly. The forks are labeled with a bracket and the number 1. The central shaft assembly is labeled with a bracket and the number 5. The shaft has a lower section labeled 6 and an upper section labeled 7. The forks are shown in an exploded view, indicating they are to be assembled onto the shaft.

This diagram shows the upper and lower fork legs and the central shaft assembly. The upper fork leg is labeled with a bracket and the number 3. The lower fork leg is labeled with a bracket and the number 4. The central shaft assembly is labeled with a bracket and the number 1. The shaft has a lower section labeled 2 and an upper section labeled 5. The forks are shown in an exploded view, indicating they are to be assembled onto the shaft. The diagram includes numerous numbered callouts (8 through 21) pointing to specific components and fasteners, such as bolts, nuts, washers, and seals, which are used to assemble the forks and the central shaft.
